2025 SEASON MATCH REPORT

In the 2025 season, we won 22 matches (including 1 conceded), drew 2 and lost 20.

Two of our teams won their blocks but, regrettably, both lost their semi-final match.

On September 5th, the AC Intermediate team (Mike Balch, Lorne Loxterkamp, Dave Wall and Judith Hutton) played their semi-final away at Camerton & Peasedown and lost 3-4.

The GC High Handicap semi-final, was held at Taunton on September 2nd.

Taunton's Team A (Christine Jones, Sue Speller, Phil Wight, Tony Stone, Angela Hendry and Christine Smith) lost 10-11 to Bude having come back from 1-9 at lunchtime.

It was a very exciting match with Taunton needing to win all four of the last round singles in order to draw 10-10. Christine Jones ran hoop 13 from the boundary to force the play-off doubles game.

Bude won this game 7-5 to go through to meet Broadwas in the final.

Christine Jones reduced her handicap.

Autumn Tournament for Taunton Deane GC High Handicappers Saturday 6 September 2025

12 players competed on a lovely sunny day, with the lawns looking really good.

In the final, Beverley Tapper defeated Mark Atlay to win the bottle of bubbly.

On Tuesday May 6th, the GC Level Play 5+ team (Sue Custance-Baker, Lorne Loxterkamp, Dave Lusk, Judith Hutton, Tony Stone, Andy Bennett) went to Sidmouth and won 15 – 5.

APRIL MATCH REPORT

On Tuesday April 15th, the GC Handicap team (Judith Hutton, Dave Lusk, Tony Stone, Sue Custance-Baker, Andy Bennett, Gordon Butler) went to Budleigh to play our first ever Advantage GC match.

Unfortunately, the match had to be abandoned with the match score at 9-7 to Budleigh because the weather was so awful that the lawns were under water. The League Rules state that in such a case the captains should try to arrange to play the remaining games, if possible. This match was completed on July 29th, with Budleigh eventually winning 11-9.

On Friday April 25th, The AC Federation team (Stephen Custance-Baker, Lloyd Kimber, Lorne Loxterkamp and Anthony Myers) went to Budleigh and won 4 – 3 in chilly but dry conditions.
